WHY GIVE?

Dear Parishioners, Alumni, Parents & Friends of St. Gregory,

We are committed to educating young men and women to be leaders who can help shape and influence the moral tone of our society. We are unique because our strong, Catholic values, moral character, social justice, and academic excellence sets us apart.

The mission of the Development Office is to keep St. Gregory accessible to all qualified students and secure financial resources for the future financial needs of the church and school. However, we cannot do this without your help. Your help is critical to the goals of our students and the financial stability of St. Gregory the Great.

Our church and school are our obligations. We have chosen to follow Christ. We have chosen to be a part of the St. Gregory family. We have chosen to be a part of this community because our Lord has asked more of us. It is our responsibility to ensure that our Lord's mission is shared and nurtured with our youth so that they may be our leaders and instill His values into future generations.

We have been blessed with the generosity of our Board of Directors, alumni, parents, parents of alumni, grandparents and friends, and we do not take these blessings for granted. Please explore our site to find out how you can help us now to secure our future.

Thank You,

Carla Landrón
Director of Development
